The fishing village of Cabanas is a hidden gem where you'll find Algarve's secret, wild side. Walking on golden sands. Collecting seashells. Watching seabirds high above or up close. Setting foot on an untouched dune. Jogging the afternoon away on the walkway. Enjoying traditional restaurants. Gliding down the river on a canoe or exploring it by boat. When all of this nature is just 3 minutes away, you can live a more natural life. Naturally. Visit Formosa Bay.

A antiga vila piscatória de Cabanas preserva o lado secreto e selvagem do Algarve. A travessia no barco. O vasto areal dourado. A coleção de conchas marinhas.
